

EAST ALBURY TENNIS CLUB INC.

...the friendly club

East Albury Tennis Club Inc. Heat Rule.

On any day of play where the temperature at 4.00 p.m. is on or above 40% the Court Captain for that night will start a discussion the Night Coordinator. They will look at forecast etc. to determine what is likely to happen before play starts. I decision will be made by 5.00 p.m. and if the night's play is called off it will be posted in the normal manner.

Whilst all efforts will be made to play consideration will always lean on the side of comfort, safety and enjoyment. If it isn't going to be fun we are not going to play.

All players are reminded to ensure they stay hydrated when playing – especially on the warmer days.
