

EAST ALBURY TENNIS CLUB INC.

...the friendly club

East Albury Tennis Club Inc. Rain Rule.

On any day of play where there looks like a high chance of rain, or where there has been rain and the courts are wet, the Court Captain for that night will start a discussion the Night Coordinator. They will look at forecast etc. to determine what is likely to happen before play starts. I decision will be made by 5.00 p.m. and if the night's play is called off it will be posted in the normal manner.

Whilst all efforts will be made to play consideration will always lean on the side of comfort, safety and enjoyment. If it isn't going to be fun we are not going to play.

Consideration will be given to the time of year; light rain in summer is fine but in winter is not enjoyable.
