

Good news. As from today Wednesday the 19th August, East Albury Tennis Courts are available for members outside the previous designated times allocated.

The key for access to the courts is available from 650 Short Street (opposite the courts). A book will be available at 650 Short Street for people to record their name, phone number and date they were at the courts.

If the courts are already open when you arrive to play and you do not need to obtain the key, you still **MUST** go to 650 Short Street and record your name, date of attendance and contact details in the book provided.

We all still must take responsibility to minimise the effects and potential spread of COVID- 19. As such please read the below guidelines.
